

Instructions for handling BRIANNA lenses

Handling of the BRIANNA-14X1 and BRIANNA-28X1

To ensure the linear lens remains intact and to prevent breakage, please follow these instructions carefully:

1. Always use both hands to handle the linear lens.
2. Avoid causing shock impact, bending, or flexing the lens during handling.

Handling of BRIANNA-14X1 and BRIANNA-28X1

Prohibited handling methods
